Image first

No whistles and bells

The screenshot shows the top section of the RIJKS STUDIO website. The header features a large background image of a Dutch windmill under a dramatic, cloudy sky. In the top left corner, there is a dark button with a left arrow and the text 'Home'. In the top right corner, there is a dark button with a downward arrow, a search icon, and a partially visible button with the text 'La'. The text 'RIJKS STUDIO' is prominently displayed in large, white, sans-serif capital letters across the middle of the header. Below this, in smaller white text, it says 'Mogelijk gemaakt door BankGiroLoterij'. Below the header, there is a grid of featured artists. On the left, a large portrait of a young Rembrandt van Rijn is shown. To its right, there are two smaller images: one of a couple and another of a group of people. Below the Rembrandt image, the text 'Rembrandt van Rijn' and 'RIJKS MUSEUM' is displayed. Below the couple image, the text 'Johannes Vermeer' and 'RIJKS MUSEUM' is displayed. At the bottom of the featured artists section, there are two blue buttons with white text: 'Meer hoogtepunten >' on the left and 'Meer kunstenaars >' on the right.
